

University Campus AI & Student Research Platform

Prepared for: University Provosts, Academic Deans & Student Government Associations (SGA)

Presented by: RoboParaPro Higher Education Solutions • Academic Year 2026–2027

\$12.50 / SEAT / MO

1. Executive Overview

University students and graduate researchers currently pay up to **\$40.00/month** (\$20 for ChatGPT Plus and \$20 for Claude Pro) on standard retail subscriptions that default to training public models on proprietary research and student coursework. RoboParaPro Higher Education provides a centralized campus seat license delivering commercial **ChatGPT Business (ChatGPT SOL 6.1 featuring Astra & Terra)** and **Claude Team (Sonnet-Opus 5 + Fable 5.1 access)** for just **\$12.50 / seat / month** with 100% Zero-Training FERPA data privacy.

2. Institutional Seat Inclusions vs. Retail Value

Component	Standard Retail Cost	University Campus Seat
OpenAI ChatGPT Business Account • ChatGPT SOL 6.1 featuring Astra & Terra commercial models • Python Advanced Data Analysis & DALL-E • Zero-training privacy & high rate limits	\$25 / mo	INCLUDED
Anthropic Claude Team Account • Claude Sonnet-Opus 5 + Fable 5.1 access • 200K context window for literature synthesis • Collaborative team artifacts & workspaces	\$25 / mo	INCLUDED
Red Pen Verification Protocol • Automated multi-model citation & hallucination checker	\$15 / mo	INCLUDED

Component	Standard Retail Cost	University Campus Seat
• Cross-model fact-checking clearance for research papers		
Centralized Campus Admin Console • Instant .edu verification & departmental seat provisioning	\$10 / mo	INCLUDED
Total Individual Value vs. Campus Rate	\$75.00 / mo	\$12.50 / seat / mo

3. Campus Deployment Tiers (@ \$12.50 / Seat / Month)

- **Graduate Lab / Capstone Cohort (50 Seats):** \$625.00/mo (\$7,500/year) — Dedicated research workspaces & priority support.
- **Academic Department / Student Org (250 Seats):** \$3,125.00/mo (\$37,500/year) — Saves \$82,500/yr vs. student retail subscriptions.
- **Campus-Wide Student Government (SGA) License (1,000+ Seats):** \$12,500.00/mo (\$150,000/year) — Single Sign-On (SSO / Canvas LMS) & university IP whitelisting.

4. Allowable University Funding Pathways

- **Student Technology Fee (STF):** Administered by Student Governments (SGA) for university-wide digital tools.
- **Departmental Instructional & Lab Budgets:** Engineering, Nursing, Business, and Education software allocations.
- **Graduate Research Grants & Indirects:** Federal/foundation research grants requiring zero-training data security.
